Attorney J. H. Heard is in the city, having returned from a three months' sojourn in Athens, Ga., his native home, where he founded the "J. T. Heard University" in 1902.

Mr. Heard, who is President of the Institute, is a man of great executive ability, and independence; the latter quality strongly exhibiting itself in his not only founding it, but its main support.

The structure, which is an imposing and commodious affair, built of brick, accommodates, including day pupils, as well as those who remain at the Institution, two hundred pupils, with ample room for more. Being alive to the educational needs of our people, the school is open day and night, in order that none who thirsts for knowledge will be turned away. It is under the direct management of Madame Maria Heard, the wife of its president, who has taught in the public schools of Georgia for almost twenty-five years. His daughter, Miss H. G. Heard, is musical director and secretary.

Mr. Heard is well known here, having graduated from the Law Department of Howard University, receiving the title of LL.D. He has been admitted to practice before the United States Supreme Court. # HIGHER WAGES TO NEGRO WORKMEN

Secured by This New Union Order—Grows By Leaps and Bounds—Started Five Years Ago with Nothing But a "Principle"—Now Has Over 400 Subordinate Lodges and 36,000 Members.

Over 30,000 homes of our people have been filled with joy, because of the Protection of a great and powerful Union Order, which is using its strength and influence to secure better conditions for our people. This is the first and only great Union Order in this country, holding an International Union Charter from the Courts, which gives full Protection and Benefits to our race.  
There is no color, race or sex discrimination in this Order. The negro has an equal standing with the white members, and can be elected to hold any office. Every effort is made to advance the condition of the members, by securing equal opportunities to work with other workmen, to learn the trades and to have steady work at high wages and Union hours.

The Grand Lodge donates \$100.00 for the burial of each deceased member. A fine monthly Journal is published. A Membership Book of the Order is recognized by all Lodges everywhere. Distressed members are assisted. Each member and Subordinate Lodge has the privilege of buying stock in the Order, on low monthly payments, said stock paying 8 per cent interest, guaranteed.  
A Leading Negro Deputy is wanted in each locality. AT ONCE, to form Lodges, sell Buttons, take Journal Subscriptions, sell Stock and act as DISTRICT DEPUTY ORGANIZER. This work can be done in spare hours, but many are devoting their whole time and attention to it. Big money is made by good hustlers.

Write at once. State name of this paper, and enclose 10 cents for full information and postage. Address:
